

Snack Truck

The After Hours Snack Truck makes an excellent end-of-party experience perfect for Weddings, After-Parties, Engagement Parties, Showers, Sweet Sixteens, Corporate Holiday Parties, Mitzvahs – or park it at the hotel where your guests are staying.

Our Snack Truck parks outside your catering venue the last hour of your event. As your guests leave, they're greeted by two friendly staff, dressed for the occasion and standing behind velvet ropes around the truck for that VIP touch. Our staff will place all requested food items and beverages into bags for your guests. Don't worry - they'll stay until all your guests leave, so everyone will have a chance to get a goody bag. Our full-size snack truck is clean and tidy, regularly detailed, and not part of a daily route. It's only used for private events.
