

Bridal & Tuxedo

White Collections BRIDAL ATELIER

Our mission is to listen to what the bride wants and how she envisions her wedding day. The bride, her family, and friends will feel comfortable in our relaxed and spacious atmosphere. White Collections is friendly professional services by appointment only. This gives them full attention during their hours and also gives us time to prep for your appointment. The wedding gown makes a statement, as does the entire wedding, reflecting the couple's personality. Let us help discover the gown that will turn dreams and wishes into a moment that will never be forgotten.
